14-DAY PREG CHECK DISCHARGES

PLAN:

1. Continue management as usual.

INSTRUCTIONS:

Please have Sport Royal Calliope re-evaluated for a fetal heart beat at 26 days of gestation 07-12-2021. Please call (607) 253-3060 to schedule another appointment with our service or feel free to have her evaluated by your regular, local veterinarian.

RECHECKS:

26-day heartbeat check: 07-12-2021

60-day fetal sexing: 08-15-2021

340-day due date: 05-22-2022

MEDICATIONS:

Please continue to give Calliope **Altrenogest, 12cc orally once a day** until she is 120 days into her gestation. At this point, you can taper her by 2cc every other day, until she is off the medication. ***WEAR GLOVES WHEN HANDLING***
